

Queen Xandrilla Blackstrand NPC FEMALE HUMAN AGE 45	Queen Xandrilla Blackstrand NPC FEMALE HUMAN AGE 45	Queen Xandrilla Blackstrand NPC FEMALE HUMAN AGE 45	
<p>PROFESSION Queen</p> <p>TRAITS Purposefully downplays her incredible intelligence in an effort to be underestimated by her enemies and rivals. Takes great pains to follow current fashion trends.</p> <p>IDEALS Power and duty. She desires great power and is smart enough to know that true power is often a hidden force. She feels a great sense of duty and responsibility for her people and will use her power to bring them prosperity.</p> <p>BONDS Oathsworn to her kingdom and its people. Though her marriage to the king was arranged to solidify an alliance between their fathers, they are actually a well-suited complement for each other.</p> <p>SECRETS She is very intelligent. She lacks the charisma to draw people to her, though, and believes the best way to utilize her intelligence is to channel it through her husband.</p>
